LEGION OFFICERS TO BE INSTALLED

Prominent State Officers to Be Present This Evening

BROWN SOLVES MYSTERY

Former Kensington Woman Dies in Hartford — Stereoscopic Lecture This Evening—Sample Ballots Arrive—Football Game Sunday.

Joint installation exercises of the Bolton-Kenasia post, American Legion, and its auxiliary will be held this evening at the Legion hall in Kensington at 8 o'clock. Prominent state Legion officers are expected to attend the installation exercises.

Karl Panzer of West Hartford, first district commander, will install the newly elected officers of the post. Mr. Panzer has always been active in Legion affairs about the state.

The new officers of the post that will be installed this evening are: Commander, Howard Bunker; first vice commander, James Corri; second vice commander, Frank Pierpont; adjutant, Adolph Schultz; sergeant-at-arms, Vernon Record; assistant sergeant-at-arms, John Wilson; historian, Post Commander Joseph L. Wilson; service officer, Wilfred Moore; chaplain, Pasquale Giannotti and executive board, Frank Pierpont, Dr. M. H. Griswold, Harold Ventres, Paul B. Ker and Edgar Pickens.

The officers elect of the Bolton-Kenasia unit, American Legion auxiliary, will be installed by Department President, Mrs. Lillian Hall, first vice president, Mrs. Catherine Ronkett; second vice president, Miss Helen Schultz; secretary, Mrs. Henry Suppawant; treasurer, Mrs. Ruby Giannotti; chaplain, Mrs. Paul Baker; sergeant-at-arms, Mrs. Myron Goodrich and historian, Mrs. Paul Stange.

Several of the members of the local post and of the auxiliary attended the installation of the department officers in Waterbury last evening.

Receives Office
At the Hartford county meeting of the American Legion auxiliaries held in West Hartford last Sunday, Miss Grace M. Ventres of Berlin was reappointed sergeant-at-arms for the coming year.

Funeral Sunday Afternoon
The funeral of Mrs. Sophronia T. Wilcox, 59, widow of Ebenezer C. Wilcox, for many years a resident of Kensington, who died yesterday morning at her home on 131 Westland street, Hartford, will be held Sunday afternoon at 2:30 o'clock.

Beautiful 1929 Calendar

A. E. F. BARBER SHOP
Kensington

from the Bradley funeral home, 45 Butler street, Meriden. Rev. B. N. Timble, pastor of the First Baptist church, will officiate. Burial will be in the East cemetery, Meriden.

Mrs. Wilcox was well known in Kensington and lived there most of her life. She is survived by three daughters, Mrs. Etta W. Johnson of Hartford; Mrs. C. G. Phillips of New Haven; and Mrs. Howard B. Bloomfield of Meriden; two sons, M. C. Wilcox of Meriden and Arthur C. Wilcox of Hartford; a brother, Benjamin A. Robinson of Meriden and five grandchildren and four great-grandchildren. She was a member of the Kensington Methodist church.

Brown Solves Mystery
Following an investigation last evening by Constable Frank Brown, the accident which occurred early yesterday morning at the railroad underpass in Kensington which resulted in the death of a woman, was thoroughly explained.

Daylight exposed evidence of the accident yesterday morning, broken glass and large patches of blood showing on the asphalt at the underpass. It indicated an automobile had crashed into the east side of the support. It was believed that two automobiles had been involved in the accident because of the large quantity of shattered glass.

Investigating last evening, Constable Brown discovered that an automobile driven by Bonnie Telewski of 104 Broad street, New Britain, was the only one in the accident.

According to information given the constable, Telewski had been driving towards New Britain when he lost control of his car and ran into the abutment on the left hand side of the road. His scalp was gashed and he was taken to the New Britain General hospital by a taxi which passed the scene of the accident shortly after the crash. At the hospital however, Telewski asked to be attended by his own physician and no record was made of the case. This added to the mystery.

Mr. Brown will be made against Telewski, according to Constable Brown.

Lecture Course Near End
The last stereoscopic lecture of the course will be given at the Kensington Methodist church this evening at 8 o'clock.

This lecture will be given by the pastor, Rev. L. E. Adkins, and will consist of a detailed tour of the Holy Land. To look upon the scenes viewed by Our Lord and visit the cities made sacred by His life and ministry will be both inspiring and educational. The public is cordially invited, not having season tickets will be admitted for a minimum charge.

While this is the last of the stereoscopic lectures of the course, there will be a sixth and final program which will consist of a home talent play called, "An Old Fashioned Mother." This play will be presented by the Epworth League on Nov. 14. It will provide those who attend an evening of mirth and sentiment.

Epidemic of Disease
An epidemic of disease has broken out among the pheasants in this part of the state. It was stated yesterday by the state board of fisheries and game. No diagnosis of this disease has yet been made but it is believed by Superintendent John W. Titcomb that it will doubtless be found to be one common to fowl and of no great danger.

More than 17,000 pheasants have been put out by the state this year and the hunting season for this bird has been anticipated as the best the state has seen for years. Superintendent Titcomb urges anyone finding dead pheasants, especially from disease, to send the bird immediately to the office of the state board in Hartford so that immediate steps may be taken toward a diagnosis of the disease. Fresh specimens only will be of use. The laboratories in New Haven are prepared to make examinations and Dr. George

E. Corwin, deputy state commissioner on domestic animals, is ready to make examinations in his department.

Condition Unchanged
The condition of Otis Curtis, East Berlin youngster, remains unchanged at the New Britain General hospital where he is in a critical condition due to an infection on his right arm. Two operations have been performed on the boy's arm so far.

The youngster was hurt while playing during recess hour at the Hubbard school about a week ago.

Football Game Sunday
Football fans in town will be afforded the chance to see two evenly matched football teams clash when the Berlin Panthers and the Plainville Blues meet at the Percival avenue grounds in Kensington Sunday afternoon.

The two aggregations met in Plainville a few weeks ago and after a bitter battle Plainville managed to nose out a 7 to 6 win over the locals. The Panthers have been playing steady football all season and are confident of reversing the tables on their opponents Sunday.

Sample Ballots Arrive
Sample ballots for the state and presidential election have arrived at the town clerk's office. The ballot contains columns for five parties, the republican, democrat, socialist, worker and socialist labor. There is also a blank column.

In Parade Tomorrow
Miss Eunice A. Lyman of Kensington will occupy a seat in an automobile in the mammoth torchlight parade that will be held in New Britain tomorrow evening under the auspices of the Republican Women's club of New Britain. Miss Lyman will be seated with Mrs. J. H. Kirkham. It is probable that local republican women will appear in the line of march but no steps have been taken to have the local women as a unit.

The parade is being held as a last minute rally and tribute to Herbert Hoover, the republican presidential candidate.

East Berlin Items
The program for the coming week includes two feature events, the Pythian Sisters fair on Monday evening and the annual Community club vaudeville show on Wednesday evening. The Pythian fair although crowded into one evening will be replete with entertainment and amusement. A comedy skit will be presented by the women of the organization. Dancing will be enjoyed after the play. A variety of fancy articles and foodstuffs will be on display. The hall will be prettily decorated for the event.

The Community club show on Wednesday evening is expected to pack Community hall to the doors. Last year the hall was jammed to

Plainville News

LAX ENFORCEMENT OF PARKING RULES

Charged in Complaints Made to Chamber and Selectmen

TO HELP SET OUT TREES

Chamber Officers Aid—October Building Report—Minister, Native of Plainville, Dead—Annual Fair—30 at School Hearing—Briefs.

Complaints that the parking rules are being laxly enforced were made last night at the meeting of the Plainville Chamber of Commerce, and first selectman James Simpson reported that similar complaints had been made to him. When these regulations, which forbid parking within certain districts about Central square, were adopted a year ago, they were fairly well observed for a short while, but now it is reported that they are being violated repeatedly.

The best means of solving the problem is thought to be the creation of a town court, it was said last night. Under the present system a man arrested for breaking the restrictions would have to pay high costs if he failed to appear in court, and it is thought these would be eliminated in a town court. The officials have been loathe to press charges against violators because of these impending high costs, which would completely dwarf the fine and make the penalty out of proportion to the offense.

To Help Set Out Trees
The chamber also decided to offer its help to property owners who wish to set out trees this fall. Many trees, especially along Whiting and West Main streets, have been destroyed in the past ten years by leaky joints in the gas mains, leaving bare streets, and the chamber hopes that it can cooperate in bringing more shade and beauty to the principal streets of the town by helping to replace these trees or fill other vacancies.

The chamber will inform property owners of their correct verandas and property lines to help in location of the trees, will communicate with nurseries to find out prices and other information, and hopes that by securing a group of purchasers it can obtain a better price for small trees.

Property owners who are interested are advised to call Secretary George Case or F. L. Benson, chairman of the sidewalks and sewers committee.

The question was recently raised as to what benefits Plainville received from the money collected here annually by the Salvation Army. President A. A. MacLeod of the chamber reported last night the receipt of a letter from Army headquarters in Boston, saying that all money collected here was spent within this county and that local cases of need would be attended to by Captain Fingert of Bristol if he were notified.

October Building
A total of 43 building permits were issued by Building Inspector Axel Johnson during October, according to his report to the selectmen today. Permits were granted for four new buildings, four alterations and repairs, six garages, seven plumbing jobs, 17 electrical jobs and five heating installations.

The new buildings on which work is being started are valued at \$23,000. The following have received permits for these: Mrs. Bertha Duchoix, two family house of eight rooms on Kent street, \$6,000; O. I. Cooley, five room bungalow on Madison street, \$5,000; Charles Clarice, combination store and dwelling on New Britain avenue, \$6,000; Emilio Santacrose, five room bungalow on Newton avenue, \$5,000.

Fires totaled \$78.50, of which Mr. Johnson turned \$19.50 over to the town and retained \$58.57 as compensation for his services.

Dies in Colorado
Word has been received here of the death of Rev. Frederick W. Hart, pastor of the Baptist church at Bethel, Col., which occurred on October 27 after a paralytic

stroke on the 25th. Rev. Mr. Hart was born in Plainville on July 13, 1866, a direct descendant of Deacon Stephen Hart, who came from England in 1812.

He was a graduate of Yale university and a minister for nearly 40 years. He went to Colorado many years ago because of poor health. He spent a week in Plainville in May, 1927, at which time his aged mother, Mrs. Jane E. Tillotson, returned with him to Colorado, where she died four years ago. While here Rev. Mr. Hart preached one sermon at the Baptist church, many of his old friends availing themselves of the opportunity to hear him.

Mr. Hart is survived by his widow and five children, Rev. Edward B. Hart of Denver, Colo., Howard W. Hart of Los Angeles, Cal., the Misses Grace and Margaret Hart of Bethel, and Mrs. John Endicott, who is associated with her husband in missionary work in India. Miss Ella Corban of Plainville is a cousin.

About 30 persons from Southington, Farmington, Bristol and Plainville attended the hearing held by the state board of education in the high school last night regarding the report of the committee on revision and codification of the state educational laws. This was a larger turnout than that expected, but most of those present felt they had had inadequate time to study the report and did not express opinions either one way or the other, remaining rather neutral.

Writes Book on Sandwiches
Miss Florence A. Cowles of Cleveland, Ohio, a former resident of Farmington, has completed a book entitled "Seven Hundred Sandwiches," which was released Sept. 15 by the publishing firm of Little, Brown & Co., Boston, and is reported as selling well already in Cleveland. Miss Cowles, who is well known here, was prominent in dramatics, she has been in Plainville but also in other sections of the state, both along dramatic lines and as a writer.

Twelve years ago Miss Cowles went to Cleveland, where she has been on the staff of the Cleveland "Plain Dealer," conducting different departments. She has been a literary editor for six years and has written many editorials. The book, "Seven Hundred Sandwiches," contains recipes for sandwiches for every possible entertainment occasion and also for hungry men and women, boys and girls. All have been carefully tested and the directions are clear and concise.

Mrs. Irving T. Tyler of Plainville is the possessor of an autographed copy presented her by the author, and she recommends it to all for its recipes and as a Christmas or wedding gift.

The Woman's Federation of the Congregational church will hold its annual fair in the church parlors on Wednesday and Thursday, November 14 and 15. The committee women are as follows: Cooked food and candy, Mrs. Donald Benjamin; kitchen aprons and towels, Mrs. A. Jordan; fancy work, Mrs. H. A. Tredegar; toys, grates, arts and crafts, Misses Florence and Esther Trumbull; tea room, Mrs. Ralph Snellgrove and Mrs. C. K. Clark.

The stewards board of the A. M. E. Zion church will hold a toupay party and social tomorrow night at the parsonage.

The high school seniors will hold a Halloween party in the school gymnasium tonight for pupils of Grades 9 to 12. The committee consists of Abbie Usher, Dorothy Ives, Doris Spencer, Carl Peterson, and James Simpson.

An automobile owned by Edward R. Ackert of 74 Whiting street, was recovered by the New Britain police yesterday after being stolen here Wednesday night. A New Britain machine, stolen in New Britain, was located here.

Squasson lodge, I. O. O. F., will sponsor a Sammy Spring Dance in the high school gymnasium Monday night. There will be starg and round dances.

Industrial Bowling

Bristol Brass 5 583
Bristol Brass 5 583
American Legion 4 544
Pl. Electro Plating 5 417
Standard Steel 5 417
East Ends 3 222

The H. C. Baum team advanced into a tie for first place in the industrial bowling league last night by winning two out of three games from the Bristol Brass quintet and breaking loose from the second position deadlock. Datoli and J. Munizali led the way, with Woods starring for the losers. The Businessmen slipped back into the tie when they fell behind before the Plainville Casting Co. work of Chester, aided by Dave and Schwab, proved too much for the merchants, although Murphy, Jr., Wagner, Warner, and Pompey all topped the 800 mark. The scores:

H. C. Baum
Datoli 96 115 108 219
Suber 82 93 85 259
A. Munizali 87 110 98 295

Flat Dept. 9 7 563
Shipping 7 9 438
Second Operation 10 10 275
Automatic 2 14 125
Grinders 1 15 063

The Collers stepped into the league in the Hudson Mfg. Co. bowling league last night when they won a four-point victory over the Second Operation team in a well-contested match at Hart's alley. The Press Speed five fell back out of the tie for first place when it was able to win only three points from the tall-end Grinders. That one point is the first the Grinders have won this year. The Office took the shipping team for three points, while the Flat Department pulled out the Automatic five. The scores:

Collers
Landery 90 94 89 273
Hanson 69 69 78 216

VOTING MACHINES NOT LARGE ENOUGH

Not Room Enough for Eight Justices of Peace

ANOTHER BIG SMITH RALLY

Judge Thoms Makes Energetic Plea For Democratic Nominee — Elks Name Committee — Girl to Become Telegrapher—Other Items.

Due to the doubling up of the names of candidates for justice of the peace on the voting machines, those voting the straight democratic ticket will find themselves unable to vote for eight justices as instructed. In fact it will be possible to vote for only the six democratic candidates provided a straight ticket is cast. It would be possible to vote for seven justices by scratching the name of one democratic candidate or eight by scratching the names of two of the party.

The doubling of the names on the voting machines has strengthened the belief of many in the city that the larger machines, which will be in use in the fourth voting district on next Tuesday's election should be retained by the city. It has also been suggested that the old type machines now in use be disposed of to some smaller towns in the city and machine of one type placed in service in all of the voting districts.

The doubling of the names of candidates for the justices of the peace will have no bearing on the election outcome in this particular instance, as the nomination is equivalent to election.

Democratic Rally
"A man with a heart that beats with love for his fellow men," were the words used by Judge William E. Thoms of Waterbury in describing Governor Alfred E. Smith, democratic nominee for the presidency, at a rally held last evening in Firemen's hall, Farmington.

"It does not make any difference what the platforms of either party say," the speaker continued, "they do not mean a great deal. The election for that reason should turn upon the character of the man. Size them both up, look them over, calculate their experience and I think every fair minded man will see that Smith, by his experience, his integrity and his understanding of the people, is the man they should elect next Tuesday. The growth of the institutions of the state of New York show the humanity of the man who lives with a heart that beats with love for his fellow men. It should be a question of pride for all of us to see to what honors a man may rise in this country. Of humble birth, working hard all his life, and to rise to be four times governor of the greatest state in the union."

In contrast to Smith's service to his state and country, the former Waterbury mayor pointed to Herbert Hoover's life abroad and the fact that he had never voted in this country until he was 46 years old.

Judge Thoms ridiculed the statements of the republican party that the election of Governor Smith would result in the elimination of the protective tariff. He pointed to the democratic nominee's record as governor of New York to show that he had always had a vital interest in the working man and the prosperity of the state. "Who is more apt to look out better for us, our neighbor, Al Smith, or the man who lives 3,000 miles away? In fact the republican nominee for president and vice president both reside west of the Mississippi."

The wet and dry argument was also touched on by the speaker. "If anyone believes and really thinks that prohibition, as we know it in Connecticut, is a success then he should vote for Herbert Hoover, who has termed it a noble experiment. But when we know of the conditions existing and the corruption so prevalent, are we satisfied to permit things to continue as they are now with no prospects of improvement?"

The injection of the religious question into politics was deplored by the speaker, who added that he had reached the stage where he was actually ashamed of the American people. "I was brought up a Protestant."

Elks Appoint Committee
Exalted Ruler Henry J. Flynn of the Bristol lodge of Elks last evening announced the appointment of the following committee to serve in the distribution of Christmas cheer to the needy families of the city: John Donnelly, chairman; Karl A. Reiche, Herve L. Brault, John T. Hayes, Thomas J. Malley, Arthur Kretz, William F. Smithwick and Robert W. Harris.

Haskell Camp to Meet
A meeting of G. A. Haskell camp, U. S. W. V., will be held at 8 o'clock Monday evening in the headquarters in the state army. At that time officers for the ensuing year will be elected.

Barber Shops Change Hours
Effective next week, all unisex barber shops in the city will remain open Monday afternoons, closing at 7 o'clock in the evening. For the past several years it has been the practice to close each Monday at 3 p. m. for the remainder of the day.

Funeral of William Stockton
The funeral of William Stockton, who died in South End, Ind., Wednesday night and whose body will arrive in this city this evening, will be held at 3 o'clock Saturday afternoon at the home of William E. Ingraham on Summer street. Rev. P. Wolfenden, pastor of the Bristol Baptist church, will conduct the service and the remains will be shipped to Bloomington, N. J., for interment.
